The person I admire is Fujiko Fujio. He is a cartoonist. He was born in 1933 and he grew up in Japan.

He has been a cartoonist for 45 years. He worked for animation before he died. He is hard-working and humorous. His works are very funny.

Fujiko Fujio won many awards about movies and comics. His most famous cartoon is Doraemon. Doraemon is a robot cat from the future. It has a lot of funny and powerful tools. It likes eating Dorayaki.

I have learned to be hard-working, humble, humorous and creative from him.
