

The Peak Tour

Chu Hoi Laam, Virginia (4B)

Our class is 4B. We are going to visit The Peak. We are going to meet at Central MTR station at ten o'clock in the morning. We are going to leave at eight o'clock at night.

In the morning, we are going to walk around The Peak Tower and visit Madame Tussauds. Then, my classmates and I will have lunch in a western restaurant at The Peak Tower. My classmates and I are going to order lobsters, pork chops and vegetables. At around two o'clock after lunch, we are going to take photos of Victoria Harbour. Around five past six, we are going to see the sunset. We will have dinner inside The Peak Tower afterward. We are going back to get back to Central MTR station around eight o'clock at night.

I think The Peak Tour will be amazing!
