

# My School Life

23<sup>rd</sup> September, 2024

Dear Mike,

How are you? Let's me tell you about my school life. I am good at PE. I like doing exercise in PE lessons. During recess, I like doing crafts and eating snacks in the classroom. After school, I like playing computer games.

I enjoy my school life because I like playing with my friends. What subjects are you good at? Do you enjoy your school life? Write to me soon.

All the best,  
Sally
