

My brave dog saved a lady!

Believe it or not, even a small dog can do a great job!

Yesterday, I walked my dog, Andy, in the park. The air was fresh and the trees were beautiful. I played some games with Andy. I felt relaxed and it felt happy. Suddenly, I saw a robber jumping out from the bushes. He was pointing a knife at a woman and the woman said, ‘Don’t hurt me. I give you all my money.’

After that, the robber ran away because Andy was running after him. In the end, the police came to arrest the robber. The police said, ‘Andy, do a good job!’
