

Buying a present

3C Kong Hoi Ting, Hayden

Sam is at the toy shop. He wants to buy a doll for his sister. He sees a robot. He feels very excited. It is eighty-eight dollars. It is cool. He wants to buy the robot.

Sam buys the robot. He forgets the doll. He does not buy the doll. He is sad. He goes to the toy shop. He asks the shop keeper, 'Can I give you the robot and get a doll? I want a doll for my sister's birthday.' At last, Sam gets the doll.

Sam gives his sister the doll. His sister loves it very much.
