

At the supermarket

Wang Pang Yu, Peter (3D)

Sally is at the supermarket. She wants to buy three packets of potato chips, two cans of cola and a box of eggs. It is because it is the school picnic tomorrow. She is excited.

Then, she pays at the cashier. The things are forty-five dollars in total.

When she leaves the supermarket, she is careless. She drops the shopping bag and the eggs are broken! 'Oops!' cries Sally.

A shopkeeper comes. He looks at Sally. He is going to help Sally. He helps her tidy up the things and put them in the bags. He also gets her a free box of eggs. 'Thank you!' says Sally. 'You are welcome!' says the shopkeeper. Sally is happy at the end.
